

*If someone loves you...  
you won't be offended,  
you will be praised.  
you won't be hit,  
you will be caressed.  
you won't be humiliated,  
you will be respected.  
you won't be isolated,  
you will be supported.  
you won't be judged,  
you will be valued.  
You won't depend on him/her  
you will rely on him/her.  
You'll never feel fear,  
you'll feel confident.  
You'll never be alone,  
you'll be in peace and quiet.  
The first one isn't love.  
The second one is true love.  
Don't fool yourself.  
Love is love.*
